Objection to Ineligibility for Discharge

By the time, that I am discharged the period of time for the courts will be satisfied. I am filing because at this point in time, I do not have any other recourse. I am a full time student retraining for a new career at CCBC-Baltimore County. Until the economy collapsed I never had a problem with my creditors but I just do not have the money to pay them. I ask the court to please consider my request even though; I may have to wait until the time period is satisfied.

Sincerely,

*Bernard Walker*
